

## ACCOLADES OF FRAZIER & DEETER

Frazier & Deeter is proud to be nationally recognized for our accomplishments, based on outstanding performance and best practices. These awards are presented to select accounting firms that exceed the expectations in this industry.

Since 1981, Frazier & Deeter has become a leader in the accounting field by helping businesses and individuals succeed in an ever changing marketplace. We watch over the future of our clients and people by providing a wide range of services and resources tailored to address the specific challenges facing them today and beyond. Our client-focused professionals are knowledgeable, innovative, and committed to the goals of clients and the firm. These factors make us a well-respected CPA and Advisory firm.

In addition to our numerous accolades, there are many reasons why Frazier & Deeter is a great place to work and do business with. Some of those points include:

- As the second largest independent CPA and Advisory firm in Georgia, Frazier & Deeter is known for its innovation and entrepreneurial spirit. SignatureFD, our affiliated wealth management group, and FD Capital Advisors, our corporate finance group, provide our clients with a full scope of services designed to meet their financial objectives.
- In a survey conducted by an independent source, 98% of Frazier & Deeter employees believe their team is committed to producing top quality work and consistently goes the extra mile to achieve great results.
- Frazier & Deeter has consistently received the highest ranking a firm can be awarded, when reviewed for its professional standards of quality controls systems, by the American Institute of Certified Public Accountants.
